Dear Mr Evans,

**Trelales Primary School**

I have recently received a copy of the excellent report of the school Inspectorate into Trelales Primary School. I wish to praise you and your staff on this. It is clear from the report that you are doing a good job in raising the level of achievement of your pupils. It is also clear that this has been accomplished with an enthusiastic and committed team of teachers and other staff.

I wish you the best of luck in continuing with this success.

Yours sincerely

  
Peter Black AM
